ACCESS LIMITATIONS

Access to most sections of this Site is restricted to registered users who are part of a paying Account or a Hub ("Authorized Users") and is granted through a nonexclusive, nontransferable, revocable license on a subscription basis in accordance with the terms and conditions set forth in the ASQ Online price quotation and/or invoice, End User License Agreement, Terms of Use, and Privacy Policy. Authorized Users gain access to restricted sections of the Site through the use of usernames and passwords, which are personal to the Authorized User and may not be shared with or transferred to any other party. Additional access restrictions may apply based on the user roles and access rights assigned by the ASQ System Administrator or by an ASQ Administrator (an Account Administrator, a Program Administrator, or a Hub Administrator) at your organization. Attempting to access, or provide access, to restricted areas without authorization is prohibited.

The subscription fees, screen fees, and other associated Service or Support fees for the ASQ Online license(s) ordered by you shall be Brookes Publishing Co.'s current ASQ Online (including but not limited to ASQ Pro, ASQ Enterprise, ASQ Hub, and ASQ Family Access) prices as they may be adjusted and published from time to time. Charges for certain Services as well as for customized Services and Support may be in addition to the charge for the license. In addition to the charges for Site licenses, Services, and Support, Brookes Publishing Co. will bill you for all applicable taxes imposed on the license (subscription) and Services and Support. The most current published ASQ Online subscription prices and related fees, Service and Support charges, and ordering information shall be set forth at brookespublishing.com/product/asq-online/ and may also be obtained by submitting a help ticket at support.brookespublishing.com or calling 1-800-638-3775. If you are calling from outside the United States or Canada, you can reach Customer Service at 410-337-9580, extension 2.

If you opt to use ASQ Family Access or ASQ API with your ASQ Pro or ASQ Enterprise Account, there are separate annual subscription fees for ASQ Family Access and ASQ API. In addition to the subscription fee(s), your Account will be charged for each ASQ-3 or ASQ:SE-2 screen ("Screen") used during your subscription. A Screen is defined as any screening (for example but not limited to an ASQ-3 interval in English or Spanish or an ASQ:SE-2 interval in English or Spanish) that has been finalized in your Account, transferred into your account via ASQ API, or finalized via ASQ Family Access and accepted in and for your Account throughout the subscription year. Charges for Screens will be invoiced on an annual basis and payable on net thirty (30)-day terms, unless otherwise stipulated. There may be reconciliation adjustments or other charges associated with your Account if you change your type of subscription during your subscription year. ASQ Hubs will also have one (1)-time linking fees associated with their set-up. Current pricing policies are always available to you at brookespublishing.com/product/asq-online/.

Brookes Publishing Co. expressly reserves the right to adjust the Site, Services, and Support and may from time to time add, modify, and/or withdraw Services and/or Support. Prices are subject to change.

Brookes Publishing Co. reserves the right to impose a late fee of not greater than 1.5% per month for amounts due outstanding. If Brookes Publishing Co. does not receive full payment as set forth within the billing information, your access to the Site's Content, Services, and Support and to data you have input will be discontinued until such time as the payment is received.
